Open manhole poses danger to motorists

The damaged lid of a manhole chamber in the middle of Kaveri Street (West Mambalam) has caved in, thereby posing a danger to motorists.

Corporation School conducts campaign to increase admissions

By Our Staff Reporter

To promote the school and augment admissions for the coming academic year, the students of Corporation Higher Secondary School (K. R. Koil Street, West Mambalam) undertook an awareness campaign by marching with placards along nearby residential colonies in West Mambalam.

Hemalatha Ramkumar (Head Mistress) told Mamba-

lam Times that this year, 83 of the 86 students who appeared for the Std. 12 Board exams passed. The results were declared on May 9.

She said that apart from teaching the prescribed syllabus, the school also gives vocational training in spoken English, computers, music, tailoring and drawing.

Hemalatha's contact number is 94441 21390.

400 participate in 'Sidewalk Astronomy' event

By Our Staff Reporter

More than 400 residents attended the 'Sidewalk Astronomy' event conducted by Tamilnadu Astronomical Society in Corporation Playground (9th Avenue, Ashok Nagar) last week.

The participants were given a guided tour of stars and constellations. Three telescopes were used to view the Moon and the planets Jupiter and Saturn.

Sidewalk Astronomy was a concept created by the well known amateur astronomer John Dobson. He is credited with making astronomy accessible to common man.

He invented the famous Dobsonian model telescope, which is portable and cheap to manufacture. He made astronomy popular by setting up Dobsonian telescopes on sidewalks during clear evenings and offering to show and explain the night sky to passersby.

HariPriya, a young member who was volunteering at the event, said that it was one such sidewalk astronomy event that ignited her interest in astronomy. "I looked up at the night sky and questioned my own presence in the cosmos and turned out to become an amateur astronomer," she said. It's been a privilege to be a part of this event finding people of all the age groups gaze up with curiosity and contemplate the vastness of interstellar space,

she added. Earlier in the day, a 'Solar Astronomy Awareness Program' was conducted by the Society in Kendriya Vidyalaya, Ashok Nagar.

V. Vijayakumar (President) told *Mambalam Times* that special telescopes and eye-safe solar goggles were used to view the Sun.

The observation was followed by an interactive session with Dr. Vinodhini (an astrophysicist from Birmingham University, UK) who gave a talk on stellar evolution and

solar activities like sun spots, birth and death of stars and the concept of black holes.

Vijayakumar said that the Society has dedicated members including both amateur and professional astronomers who help in conducting such road shows pan-India to promote astronomy.

To know more about the Society, its future events and membership details, please contact Vijayakumar at 93828 70662 or vijayorion@gmail.com.

He sources them from Melmaruvathur, Dindivanam and Madhurandhagam.

He said that there is a good demand for nungu this year

and his turnover is around Rs. 400 per day. He said that during off-season, he works as a labour hand at construction sites.

LETTERS TO THE EDITOR

Service lanes of Usman Road flyover encroached upon by hawkers

Sir, The service lanes of Usman Road flyover (T. Nagar) are encroached upon by hawkers.

Free flow of traffic is disrupted leading to regular traffic jams, especially during peak hours.

Autorickshaws either strut along or wait in the lane looking for potential customers thereby further blocking the traffic and also causing inconvenience to pedestrians. Adding to the woes, shoppers park their vehicles on the side lanes of Usman Road thereby reducing its width and causing nuisance to the residents.

I request the Corporation officials to take immediate steps to stop hawkers from peddling their wares on the service lanes and strictly enforce 'No Parking' rule in the side roads. - V. Sethuraman, 23, P.S. Road, T. Nagar, Ph: 96001 88824.

Parked 2-wheelers lead to traffic problem on Kamakoti Street

Sir, I am resident of Kamakoti Street (off Lake View Road, West Mambalam). For the past three months, the residents of Kamakoti Flats which is at the beginning of the street are parking their two wheelers on the road itself, which blocks almost 50% of the road width. At any given time there are a minimum of 20 vehicles parked on the road outside the flats. This is causing a severe traffic problem on the street and also on the adjacent lanes.

My repeated requests to the flat owners have only fallen in deaf ears. I request the traffic department to dissuade the Kamakoti Flat residents from misusing the road for parking and also to erect a 'No Parking' signboard on both ends of the road. - Abhijith Sridhar, Kamakoti Street, West Mambalam

Postbox with corroded base likely to topple

Sir, The postbox on the pavement of Habibullah Road (near the erstwhile Nadigar Sangam end) which was recently painted is corroded at its base and is likely to topple from its pedestal at any time.

I had sent a copy of the photo with a request to repair it to the Senior Post Master (T. Nagar Post Office) 10 days ago but no action has been taken so far.

I request the concerned officials to take immediate steps to repair the postbox.

M. Jayasankar, 151, Habibullah Road, T. Nagar.
