Smart City project to take off by August-end

By Our Staff Reporter

The Smart City project in T. Nagar is likely to commence in a month. According to an official, tenders have been called for and work on the projects is expected to start by the end of August.

T. Nagar, which was selected in 2015 under the area based development program of the Central Government-sponsored Smart Cities Mission, will undergo a slew of infrastructural changes as the civic body takes up the project phase by phase.

In its first phase, 23 interior roads in the area will receive a makeover costing Rs. 15 crores which includes wi-fi connectivity, rain water harvesting pits that will collect run-off water and recharge the ground water table, smart lamp posts, wide footpaths, parking areas and a walkway fitted with anti-skid tiles. Eight T. Nagar parks will be redeveloped at a cost of Rs 10 crores and Rs. 3.5 crores will be spent on replacing sodium vapour lamps with LED lights. Other major developments include construction of a multi-level car parking lot and the pedestrian plaza.

Vehicle number plates not conforming to norms

By Our Staff Reporter

It has become a common sight to see vehicles with number plates not conforming to the prescribed norms.

Vehicle owners are using fancy number plates in violation of the norms.

A senior traffic official told *Mambalam Times* that fancy

fonts, photos, special characters, and wordings are some of the common violations. Crash guards and other additional fittings blocking visibility of the rear number plates in heavy duty vehicles is also a violation.

Photo taken on July 12 shows a 2-wheeler with a fancy number plate on Madley Road, T. Nagar.

Year on, sailor's wife still awaits husband's death certificate

By Our Staff Reporter

Almost a year has gone by, and a sailor's wife is still waiting for her husband's death certificate from Chennai Corporation.

39-year-old Muthu Krishnan (a resident of CPWD Quarters, K. K. Nagar), employed in Indian Coast Guard (ICG), lost his life in the mid-air disappearance of an Indian Air Force plane he was traveling in on July 22 last year. The plane could never be traced and all aboard the flight were declared dead by IAF and ICG and the same was communicated to the families.

His wife Jeya Sumithra has since been running from pillar to post to get her husband's death certificate from Chennai Corporation.

"Although the ICG had issued a death certificate for my husband, Corporation officials are refusing to issue one based on it, without details such as the place of his death. They are citing rules that it cannot be issued for missing persons until a period of 7 years has elapsed," she said.

She has been facing several problems like not being able to apply for a Smart Card to replace the paper-based family card as the PDS Dept. is not accepting the death certificate issued by ICG.

Similarly, she had a harrowing time in getting the legal heir certificate from the Tahsildar's office in Mambalam.
