Jeeva Park and Natesan Park reopened after renovation

By Our Staff Reporter

After renovation under the Smart City project, Jeeva Park (G. N. Chetty Road) and Natesan Park (Venkatanarayana Road), T. Nagar were reopened on July 11. According to a Corporation official, the parks were reno-vated at a total cost of Rs 5.24 crores.

S. P. Velumani (Minister for Municipal Admini-stration and Water Supply), D. Jayakumar (Minister for Fisheries), Corporation Commissioner D. Karthikeyan and B. Sathyanarayanan (T. Nagar MLA) participated in the inaugural function.

Jeeva Park was renovated at a cost of Rs.1.67 crore.

The improvements include installation of security cameras, solar powered sockets for charging mobile phones, yoga platform, badminton courts, new children's play equipment, walking track, ornamental tiles, new gym equipment, additional benches and 10 kilo liter capacity waste water treatment plant. Natesan Park was reno-vated at a cost of Rs. 3.57 crores.

It has been split into five sections, Kurinji, Mullai, Marutham, Neithal and Paalai. The improvements include security cameras, new walking track with tactile flooring for the benefit of the visually-challenged, sprawling lawn, play area, fountain, granite seats, exercising equipment and solar-powered power sockets.

Portable ticket vending devices soon in suburban stations

By Our Staff Reporter

Commuters in the Southern Railway zone will no longer have to stand in long queues to buy unreserved tickets.

Southern Railway will soon implement a system of dispensing unreserved tickets with portable ticket vending machines in parking lots and other suitable locations in suburban stations.

The 9 kg. vending machine will feature a display, ticket roll and thermal printer.

The machine will be issued to an agent, who will issue the tickets.

The inexpensive innovation has been thought up by officials in Southern Railway to resolve the twin problems of fading railway press-issued cardboard tickets and tickets running out at smaller stations.

Southern Railway has sought permission from the Railway Board to conduct trials across 12 suburban stations in the city.

The device, if approved, will be used on the suburban route in Chennai divisions and on the non-suburban route in other divisions.

4 cheated of jewellery worth Rs. 2.3 lakhs in less than 15 hours

By Our Staff Reporter

Three women and a man were swindled of 10 sovereigns of jewellery worth Rs. 2.3 lakhs in incidents reported within a span of 15 hours from K. K. Nagar, Teynampet and Pondy Bazaar on July 9 and 10.

Late on July 9, 56-year-old Kanchana was walking home after visiting a restaurant when a man approached her on Bazaar Street. Pretending to seek her blessings, he persuaded her to remove her 2-sovereign necklace and keep it in his palm, and then decamped with it.

That night in K. K. Nagar, a man offered Jagathambal (66), of Nesapakkam a cool drink spiked with sleeping pills and escaped with her 4-sovereign earrings and nose ring.

The next morning in Teynampet, Janaki (66), a sweeper in a computer spare parts manufacturing firm in Seethambal Nagar, was cheated of her gold chain. Janaki was on her way to work when a man prostrated before her and addressed her respectfully, said the police. He then engaged her in conversation for sometime and left. Only then did she realize that her 2-sovereign chain was missing. Police have identified the culprit from CCTV footage from a camera installed nearby.

A couple of hours later, in Pondy Bazaar, a man posing as a policeman conned Paneerselvam (60) and escaped with his 2-sovereign chain. Paneerselvam was walking home when the man in police uniform approached him and asked him to remove the chain as it was unsafe to wear it in a busy lane. The man gave Paneerselvam a piece of paper to wrap the chain and surreptitiously replaced the packet with another containing stones.

The police have formed a special team to catch the culprits.

The branches of an axed tree in the T. Nagar Police Station compound are extending by almost 10 feet into the carriageway of Police Quarters Road.

Tamilnadu govt. to permit hoardings

The Tamilnadu government will soon permit hoardings in the city and empower Chennai Corporation to issue licenses for them instead of the district collector. Rural and Municipal Administration Minister S. P. Velumani placed a bill in the Assembly on July 9, which passed the proposed law.

In other local bodies such as Madurai and Coimbatore, the district collector will continue to issue the licenses.

According to the amendment, the commissioner will grant the license after an inspection and on payment of the prescribed fee, and with conditions. The penalty for illegal hoardings has been increased from Rs.10,000 to Rs. 25,000.

Sale of organic farm products today

Organic Farmers Market has organized an exhibition-cum-sale of produce by farmers from 4 p.m to 7 p.m on Sunday, July 15 in 19/5A, Kavarai Street, West Mambalam, near AMR Marriage Hall, and 32/44, Madhavan Nair Road, Mahalingapuram, near Ayyappan Temple. On sale will be indigenous rice varieties including kichli samba hand pounded boiled and raw rice, sona masuri hand pounded raw rice, kullakar boiled rice and aromatic rice, thooyamalli, pulses, sweeteners, salt and cooking oil.

Anand (Organizer) told *Mambalam Times* that they have aggregated a number of small and marginal farmers who cultivate only food crops. No middle men are involved and the sale proceeds go directly to the farmers to help them get the maximum benefit.

He added that most of farmers participating in the sale own less than 2 acres of cultivable land and, in spite of failing monsoon, inadequate support from family members and lack of welfare schemes, are still passionate and rooted to the traditional method of farming.

For more details, call Anand in 98405 25516 or 99622 25225.

Appeal to make 55th Street, Ashok Nagar one-way

Sir, Compared to 53rd and 54th Streets in Ashok Nagar, 55th Street is narrow.

Unfortunately, this narrow road is the route to Ashok Nagar for motorists coming from traffic-ridden 1st Avenue. A number of vehicles enter 55th Street at high speed which often leads to frequent accidents due to its narrow width. As the road cannot be widened, it is safer to make it one-way and install a speed breaker at its junction with 1st Avenue. **Dr. K. R. Chidambara Kumarasamy, 53rd Street, Ashok Nagar**

LETTERS TO THE EDITOR

Garbage dumped in Mambalam canal

Sir, Mambalam Canal in West CIT Nagar was cleaned and desilted in April.

But within 2 months, the canal is again full of garbage and plastic waste.

I have seen a number of residents and vendors dumping the waste into the canal without realizing the environmental issues they are causing.

Though the Corporation is regularly cleaning the canal, the public should have civic sense, and should dump waste only in designated bins or hand it over to the garbage collector for proper disposal.

When I spoke to a Corporation official, he said that a number of residents and commercial complexes are also letting sewage into the canal.

At places where there is easy access to the canal, the Corporation should close them with concrete slabs or wire mesh to deter anyone from throwing garbage into it. **R. Mahesh, Muthurangan Salai, T. Nagar**

Drivers harassed in Pondy Bazaar for unauthorised parking fee

Sir, For several weeks now, a number of persons claiming to be authorised parking fee collectors, are harassing car drivers demanding parking charges in Pondy Bazaar.

The other day, the person in the attached photo shouted at me and blocked the way demanding parking charge. No one minds paying parking charges as long as the money reaches the Chennai Corporation.

When I asked him to show his license and rate list, he showed me some ID which was not issued by Chennai Corporation. For the rate list, he just showed me a parking coupon which he claimed was issued by the Corporation. When I told him Rs. 20 for half hour parking was not charged in any other market area, he started shouting and demanding the money.

Finally, I left instead of holding up the traffic but after collecting the receipt. I have a strong suspicion that these guys are touts, and are operating illegally right under the nose of the police and Corporation officials.

If they are genuine and are duly licensed, Corporation should display notices at all the paid parking lots in Pondy Bazar, showing the rates and the name of the licensee. Corporation should also ensure that the collectors sport nameplates and carry proper ID cards issued by the Corporation. **R. Kuppuswamy, 20/24, Malony Road, T. Nagar, Ph: 99400 33503**

Why not entry fee for renovated parks?

Sir, I understand that Chennai Corporation has spent crores to renovate many parks in Chennai and the renovated Natesan Park and Jeeva Park were inaugurated this week.

Corporation officials and visitors should now ensure that the infrastructures are maintained properly and the parks are not misused by nefarious elements. During the renovation period, I was a regular visitor to Panagal park. I often used to find drunkards sleeping in the walking track and students from neighbouring schools disturbing the tranquility by creating nuisance and littering the place.

In this connection, I would like to give a few suggestions:

Like the major parks in Bengaluru and Snake Park in Adyar, Chennai Corporation should charge an entry fee to deter beggars and other nefarious elements from entering the park.

They can also introduce a monthly pass for regular visitors.

These are just suggestions by a regular park visitor, but if there are better solutions to retain the peace and tranquility in the park for visitors to relax, the same maybe implemented. **H. Nagesh Bhandarkar, Sri Krishna Apartments, 40, 8th Avenue, Ashok Nagar**

Illegal tapping of metro water in neighbourhood

Sir, In a pre-dawn raid by Metrowater Board to detect illegal tapping from supply lines, it found an eatery/hostel on Motilal Street illegally drawing metro water using a motor.

Immediately thereafter, the Board cut the supply line and also slapped a fine of Rs. 20,000. The Board also seized the motor which the unit was using to draw water.

On behalf of the residents of Motilal Street, we thank the Metrowater Board team led by the Area Engineer and Depot Engineer of Ward 136 for the surprise raid resulting in the detection of the illegal water tapping.

Illegal tapping of metro water has been going on unabashedly for a number of years and only when the residents make complaints about the inadequate supply, the Metrowater Dept. takes action.

In most of the streets in T. Nagar there are many commercial establishments providing accommodation for their employees. If the residents find supply of metro water to be inadequate, it is likely due to illegal tapping of water. The residents should immediately inform the Area Engineer concerned for immediate action. **Motilal Street Residents' Welfare Association, 31, Motilal Street, T. Nagar**
