Tamil encyclopedia, brainchild of a Chennai resident, released

By Our Staff Reporter

The World Tamil Encyclopedia, the first of its kind and a seminal addition to Tamil language and heritage, was recently released in Chennai.

Compiled through 12 years of painstaking effort, the 3-volume book is the brainchild of Prof. Dr. E. J. Sundar, a resident of Anna Nagar.

According to Dr. Sundar, former Tamil Professor of A. M. Jain College, the encyclopedia features 16,500 entries in 2141 pages, and is a comprehensive compilation of all things related to Tamil, Tamilnadu and Tamilians.

Dato Jothinathan of Malaysia, founder of Uma Publications, is the publisher of the work. Late Dr. K. P. Aravaanan, former Vice Chancellor of Manonmaniam Sundaranar University, was Special Advisor. Fifty subject matter experts contributed to the book, with Nalankilli serving as Editor.

World Tamil Encyclopedia covers topics relating to Tamil literature, arts, history, religion and more, and also compiles relevant information from other countries where Tamilians have established themselves.

Readers can easily access information by searching through the 39 topics in the book which include architecture, tourism, geography, agriculture, zoology, festivals, celebrities, industries, medicine and cinema.

The entries are also alphabetized for easy access. With its massive breadth of coverage, World Tamil Encyclopedia has entries on 800 magazines that have been published in Tamil, Tamilnadu's 96 rivers, 760 Tamil literary works, the 600 towns of Tamilnadu, 720 plant and 230 animal/bird species unique to the State, 145 industrial units, 4000 Tamil movies released till 2016, pilgrimage sites, Tamil Eezham and much more.

Dr. Sundar told *Mambalam Times*, "It would not be an exaggeration to claim that this book is a free standing library on its own and carries an equivalent of a hundred other books in terms of content".

The 3 volumes together are priced at Rs. 3,000. Its distributor in India is Rythm Book Publishers.

For additional information, Dr. Sundar may be contacted in 98410 68832 or by email ejsundar@gmail.com

Water table in city dips

By Our Staff Reporter

Inadequate rainfall and a protracted drought for the past two years have started impacting the water table in the city.

In the study conducted by Rain Center, the city's water table dipped on an average by 8 meters during February.

Some observation wells like those in Anna Nagar, Choolaimedu and Vadapalani went dry in February, indicating the dependence on groundwater sources owing to the reduction in piped water supply.

Many streets in the neighbourhood have stopped receiving piped water supply and are dependent on supply through water tankers. Residents are tapping groundwater by digging borewells up to a depth of 150 ft.

Sekar Raghavan (Director, Rain Centre) has advised tapping of shallow aquifers with open wells if deep borewells fail.

For help, residents can contact Rain Centre in 96770 43869.

Sale of organic farm products today

By Our Staff Reporter

Organic Farmers Market has organized an exhibition-cum-sale of produce by farmers from 4 p.m to 7 p.m on Sunday, March 31 in 19/5A, Kavara Street, West Mambalam, near AMR Marriage Hall, and 32/44, Madhavan Nair Road, Mahalingapuram, near Ayyappan Temple.

On sale will be indigenous rice varieties including kichli samba hand pounded boiled and raw rice, sona masuri hand pounded raw rice, kullakar boiled rice and aromatic rice, thooyamalli, pulses, sweeteners, salt and cooking oil.

Anand (Organizer) told *Mambalam Times* that they have aggregated a number of small and marginal farmers who cultivate only food crops. No middle men are involved and the sale proceeds go directly to the farmers to help them get the maximum benefit.

He added that most of farmers participating in the sale own less than 2 acres of cultivable land and, in spite of failing monsoon, inadequate support from family members and lack of welfare schemes, are still passionate and rooted to the traditional method of farming.

For more details, call Anand in 98405 25516 or 99622 25225.

By Our Staff Reporter

72-year-old R. Mythili (resident of G2, Kamakoti Flats, 127/62, Kamakoti Street, West Mambalam), who is physically challenged, runs a catering service from home.

She also makes and sells a variety of appalams, vadaams and pickles.

Mythili told *Mambalam Times* that she started the business after her husband passed away 20 years back. "Due to some illness, I lost mobility in both my legs," she said. She got the idea of starting the catering business after she cooked for 20 persons to help her neighbour who had a function at home.

Since then the business has grown well mainly through word of mouth and references, she said.

She has a number of regular customers and cooks for small functions.

"I have been helped by several of my customers who have appreciated my courage to run the business in spite of my age and disability by donating a disabled-friendly scooter, refrigerator, washing machine, culinary items and more," she said.

"I do all the cooking and cleaning, and employ an assistant for general hel," she added.

"I will continue with the business as long as my body allows me to or till my last breath if I remain healthy," she said.

She also conducts cooking classes for interested persons. Her contact number is 99625 35977.

Pedestrian-friendly footpaths soon in Venkatanarayana Road and G. N. Chetty Road

Chennai Corporation has started work on redesigning/rebuilding the footpaths on Venkatanarayana Road (which connects Panagal Park with Anna Salai) and G. N. Chetty Road (which connects Panagal Park with Gemini flyover and Nungambakkam High Road) under the Smart City project at a total cost of Rs. 30 crores.

The old street light poles and other obstructions on the footpath are being removed. The construction will start in Panagal Park area in April 3rd week, and will be connected with the pedestrian plaza on Thyagaraya Road.

The redesigning will not just ensure a continuous footpath, but also regulate parking on the stretches.

According to an official of Smart City Limited, spaces will be demarcated for parking to streamline traffic movement. He said that the road junctions will be redesigned to be more compact and safer for pedestrians to cross. He said that the streets will have more greenery, and benches will be installed on the footpaths. All encroachments and public toilets on footpaths near Panagal Park not in use will be removed.

Another important aspect of the design will be the provision of separate access chambers for common utilities such as manholes, optic fibre cables and EB, so that there will be no need to dig the footpath for repairs.

Delays in correcting voter ID card

Sir, Last October, I shifted my residence from Erikarai Street, West Mambalam to 59/1, Muthalamman Koil Street, West Mambalam.

I then applied for change of address in the voter ID cards of my family members in the zonal office of Chennai Corporation in Arcot Road, Kodambakkam.

In the revised voters' list released on Jan. 31, I found someone else's name and photo against my wife's voter ID number. Also, my age was wrongly mentioned in the revised list.

I then applied for correction of the same in the relevant form with the zonal office.

When I visited the E-Seva center in Thambiah Road, West Mambalam for obtaining the corrected voter ID card for my wife, I was told by a staff member that they do not have a printer and have not received instructions to issue voter ID cards.

LETTERS TO THE EDITOR

Protruding cable at Thambiah Road-Jubilee Road junction

Sir, A portion of an underground cable is protruding above the surface in the middle of the road at the junction of Thambiah Road and Jubilee Road, West Mambalam in the direction of Lake View Road.

It is hazardous to motorists, especially 2-wheeler riders, as they can trip and fall.

It is also dangerous for pedestrians who cross the road at the junction, especially at night due to poor visibility.

A number of school students and elders cross the junction daily as there is a school and a park in the vicinity.

I appeal to Corporation officials to relay the cable beneath the road surface and level the stretch. **S. Chandrasekaran, West Mambalam.**

Appeal to close pit outside Mambalam Post Office

Sir, The junction of Arya Gowda Road and 3rd Street, where West Mambalam Post Office is located, is in bad condition.

A pit dug in the road margin close to the junction is not visible while turning into Arya Gowda Road from 3rd Street.

It poses a danger to motorists.

As the traffic is very heavy at the junction, elderly persons visiting the post office find it difficult to cross the road. I request Corporation officials to close the pit and repair the road at the junction for the benefit of the road users. **N. Rajagopalan, West Mambalam**

Mambalam Times role lauded

Sir, It was indeed heartening to read that the move to shift the two ration shops from Rameswaram Street, T. Nagar to Mambalam High Road, more than a kilometer away, has been given up.

The role of *Mambalam Times* in this crusade by the residents was significant and substantial. Extending this thought process further, I would like to suggest the following:

I was informed that a copy of *Mambalam Times* was delivered to all the local offices of the civic body every week. The officials of the local Corporation offices must go through *Mambalam Times* and other local papers where a number of civil lapses in the local area are highlighted.

It will help them to address the issues at the earliest to help the aggrieved residents. **P. K. Subramanian, Aishwarya Apartments, Gandhi Street, T. Nagar, Ph: 98402 93321**

Appeal to shift TASMACH shop from Dhandapani Street

Sir, I have been appealing to shift the TASMACH shop from Dhandapani Street, T. Nagar due to the hardship faced by the nearby residents and passersby. It is always crowded. Its customers drink openly outside the shop and dirty the surrounding by throwing used plastic cups, empty liquor bottles and urinating in street corners.

There are a number of schools in the vicinity and the students can easily fall a prey to drinking habit. It is also a security risk for women and elders who have to pass by the shop on their daily errands. I appeal to Chennai Corporation to shift the TASMACH shop from Dhandapani Street. **V. S. Narayanaswamy, Motilal Street, T. Nagar**

Appeal for traffic signal near Jawahar Vidyalaya

Sir, It is a Herculean task for students of Jawahar Vidyalaya (4th Avenue, Ashok Nagar) to cross the road after school.

The drivers do not stop their vehicles at the pedestrian crossing even when they see students waiting to cross the road. A small opening has been provided in the central median to cross the road which forces students to crowd at the central median in the middle of the road as the space is enough for only two students to pass through at a time.

It is a life threatening situation for the students and the parents accompanying them.

I think that a traffic signal, to be operated only during school opening and closing hours, can solve the problem, or at least a traffic policeman can be deployed during the school closing hours to regulate the traffic. **Dr. K. R. Chidambarakumarasamy, 40, 53rd Street, Ashok Nagar**

Water stagnation in Motilal Street

Sir, I appeal to Metrowater and Chennai Corporation to jointly inspect the permanent water stagnation problem near the autorickshaw stand in Motilal Street, T. Nagar, close to Usman Road side. I appeal to the officials to replace the damaged pipes which are causing the water leakage and stagnation in the road. **V. S. Narayanaswamy, Motilal Street, T. Nagar**

Appeal to replace sewage line in Motilal Street

Sir, Sewage blocks are happening frequently in the apartment complex located at 31, Motilal Street, T. Nagar.

I appeal to Metrowater officials to find a permanent solution to the problem.

My request is to replace the worn out sewage pipes which were laid 35 years back. **V. S. Narayanaswamy, Motilal Street, T. Nagar**
