College student murder case transferred to CB-CID

By Our Staff Reporter
 A team of four officers led by DSP Selvakumar of CB-CID has commenced investigation into the murder of 20-year-old M. Sathya (2nd year B. Com student of a private college in T. Nagar), who was killed after being pushed under a moving train by D. Sathish (resident of Adambakkam) in St. Thomas Mount station. The case was transferred to the CB-CID considering that both of the families involved are members of the police department. On the instruction of DGP

Sylendra Babu, the paperwork and files related to the case were handed over to CB-CID by Mambalam police on Oct. 16. The officials are examining the camera footage in the station and meeting the family members from both sides to record their versions.

Sathish had been stalking the girl for several months and the girl's parents had filed a case in Mambalam police station last month. The victim had also got engaged recently. Two days after the murder, the victim's father had died of heart attack.

The accused's father is a Sub-Inspector of Police and the victim's mother M. Rajalakshmi is a Head Constable in Adambakkam police station. Sathish was arrested the next day.

Thomas Mount Police Quarters in Alandur, had come to St. Thomas Mount Railway Station with her friends to board a train to her college in T. Nagar.

Sathish, who followed her to the station, started arguing with her on the platform in front of her friends.

Her friends told the police that as a train approached, Sathish deliberately tripped her and pushed her in front of the train. Sathya fell on the tracks and the train ran over her. He then escaped even as some passengers waiting on the platform tried to catch him.

Upon information, the St. Thomas Mount police, the Mambalam and Tambaram RPF arrived at the spot.

Sathish was arrested the next day.

Private hospital provides psychological support for cancer patients

Apollo Proton Cancer Centre (APCC) has launched a comprehensive health initiative - Apollo Breast Cancer Diaries, a support group for breast cancer patients with best-in-class support and treatment. The initiative was inaugurated on Oct. 14 by P. Geetha Jeevan (Minister of Social Welfare and Women's Empowerment).

The initiative will focus on providing cancer patients with strong psychological support by connecting them with cancer survivors.

Breast cancer treatment process may lead to fatigue and other side effects such as insomnia, anemia, nausea, pain and change in mood. At times, the patient may also have to deal with the social stigma of being diagnosed with the condition. Dr. Manjula Rao, Consultant Breast Cancer Specialist - Oncoplastic Surgeon in Apollo Proton Cancer Centre, said that the support groups provide patients with reinforcements that go above and beyond the regular rigmarole of providing medical treatment.

Free vision services for weavers

It was during the pandemic that FM Radio City received a call from Suresh, a weaver, describing his tough fight with cataract and a plea for help as his profession depended on his vision.

Providing a solution for the problem, Dr Mohan Rajan (Chairman and Medical Director, Rajan Eye Care Hospital, T. Nagar) collaborated with Radio City and provided free checkup and treatment for the weaver. This initiative that began for Suresh has now extended as the Weavers Vision Project, serving 10,000 weavers in the silk belt of the state.

Celebrating World Sight Day 2022 in Rajan Eye Care Hospital organised by Chennai Vision Charitable Trust and Rotary Rajan Eye Bank, the event witnessed the distribution of privilege cards among weavers of Thiruvannamalai, Kanchipuram, Cheyyar, Vellore and Arani. Dr Vishnu Prasad, MP, gave the cards to almost 300 weavers.

"The privilege cards will authorise the weavers to get consultation, retino surgery, glasses and other eye health services free for life," said Dr Mohan.

He also educated the audience on the importance of eyesight and the awareness of eye related problems.

With several ambassadors, the project has reached millions of people and the institution continues to spread awareness on corneal blindness and the importance of eye donation.

HC wants no vehicle curbs for T. Nagar residents

By Our Staff Reporter

The Madras High Court on Oct. 17 directed the city police not to impose any transport curbs citing Deepavali on the residents of T. Nagar.

Justice V.Sivagnanam passed the direction while disposing of a petition filed by the T. Nagar Residents' Welfare Association.

Its Secretary, Kannan Balachandran, wanted the court to restrain the police from imposing curbs of any kind citing Deepavali on the residents of T. Nagar for ingress and egress from their residences through any mode of transport.

"Every year, the respondents would allow residents to be dropped at their homes if they showed their ID cards. But, strangely, this year, despite showing ID cards, respondents have failed to permit residents to be dropped at their residences. In fact, they're being asked to walk to their residences irrespective of their age," the petitioner submitted.

Meanwhile, the State Assistant Public Prosecutor (APP) submitted that the Deputy Commissioner of Police (Traffic Section), St. Thomas Mount, conducted an inquiry on Oct. 15, and agreed to allow residents to be dropped in autorickshaws if they showed proof of address. Autos without passengers were not allowed.

Nevertheless, the petitioner informed the court, "The cops on duty in T. Nagar are not allowing us to be dropped despite showing them our ID cards."

Recording the submissions, the judge directed the DC (traffic section) to give proper instructions to the cops to permit T. Nagar residents on showing their proof of residence and not permit only unoccupied autos.
