19-year-old Akram has learnt 400 language scripts

By Our Staff Reporter

19-year-old Mahmood Akram (resident of Shenoy Nagar) has learnt 400 language scripts

His father Dr. Mozhipriyyan said that Akram, at the age of four, learnt 26 alphabets of English in just 6 days and 216 Tamil letters in just 3 weeks.

Mozhipriyyan himself is well-versed in 16 languages as he has worked in 30 countries.

After mastering modern Tamil script, Akram explored its ancient versions, such as Tamili, Vattezhuttu and Grantha.

By the age of 6 he had learned all the 16 languages his father knew, and could also type in them.

By 8 years, he had used the internet as a tool to learn 50 language scripts and also got his name entered into the Guinness Book of World Records.

By the age of 12 he had mastered 400 language scripts including many extinct languages. His name also features in India Book of Records and Indian Achievers Book of Records.

Instead of pursuing conventional education, after passing Std. 5 from a regular school in Chennai, he enrolled in a school in Israel that focused solely on language studies.

In 2019, he won an international language competition in Germany and was selected to complete his high school studies from Austria's Danube International School.

He is an instructor in the online language school founded by his father in 2016.

He plans to pursue higher studies in linguistics and aims to translate ancient Tamil texts into as many languages as possible and secure another Guinness World Record as the youngest person to speak 46 languages fluently.

MTC to acquire 600 electric buses

By Our Staff Reporter

For the first time in 15 years, Metropolitan Transport Corporation is set to expand its fleet with 600 electric buses next month.

Unlike conventional diesel buses, these low-floor electric buses, manufactured by Ashok Leyland and costing around Rs. 1.2 crores each, will operate under a gross cost contract model.

Instead of purchasing them outright, MTC will bring in

private operators, paying them a fixed rate per kilometre.

Some of these buses will be added to routes operating from Anna Nagar and Mogappair bus depots.

Charging infrastructure will soon be added at these bus depots.

Youth arrested for killing girlfriend's mother

By Our Staff Reporter

K. Shyam (23) (resident of Seethakathi Saalai, East Mogappiar) was arrested on charge of murdering 63-year-old Mythili (his girlfriend's mother) on Feb. 10 at her apartment in Mogappiar.

According to police, Mythili (a retired Tamilnadu Government employee), was living with her daughter Rithika (23) in Mogappiar.

Rithika (a software engineer) was in a relationship with Shyam.

As Mythili was against the relationship, she chided her daughter when she came home late at night on Feb. 9.

Angered at the rebuke, Mythili called Shyam, who was waiting outside. When Mythili shouted at both of them and asked Shyam to leave, he strangled her to death.

JJ Nagar police arrested Shyam and have charged Rithika for being an accomplice.

LETTER TO THE EDITOR

Exposed live wires pose danger

Sir, Live electric wires are lying exposed within the small junction box fixed at a 3-foot-height on the traffic light post erected opposite Nagathammam Temple (6th Avenue, ICF Colony, Anna Nagar). A postbox is also fixed just above this open junction box.

The live wires pose the risk of electrocution to unwary passersby and to persons including postmen handling the postbox. I request the traffic police and Tamilnadu Electricity Board to close the junction box early to prevent any untoward incident. **K. Kumaraguru, ICF South Colony, 5th Street, 6th Avenue, Anna Nagar.**

LETTERS TO THE EDITOR

Stray dog nuisance in TVS Avenue

Sir, In the past month, there has been an increase in the population of stray dogs in TVS Avenue (off Ambattur Estate Road, Anna Nagar Western Extension).

They often get aggressive and chase motorists, increasing the risk of accidents, especially for bikers. Their incessant barking at night disturbs the sleep of the residents.

Tree branches, logs heaped on road margin

Sir, A dead banyan tree was cut by Chennai Corporation 3 months back near my house in 6th Block, Mogappiar. Its remains comprising of branches, trunks and logs are dumped on the road margin in front of my house.

The foliage has become a

breeding ground for mosquitoes and a haven for reptiles and rats.

Since it is a health hazard, I request Chennai Corporation to remove the tree waste from the spot. **S. Chandiran, Plot 6/681, 6th Block, Mogappiar East.**

Garbage dumped under foot overbridge

Sir, Garbage is frequently dumped on the pavement under the foot overbridge on Jawaharlal Nehru Road (between 6th Avenue and 18th Main Road junctions, Anna Nagar).

Homeless persons, who use the foot overbridge as a shelter, have converted this stretch into an open urinal.

Pedestrians find it difficult to cross the stretch due to the foul smell and the unhygienic condition. As the stretch adjoins Anbu Colony, the residents of the colony suffer due to the proliferation of mosquitoes. I appeal to Chennai Corpo-

roration to take immediate steps to remove the garbage and prevent the misuse of the stretch under the overbridge.

Padma Chandar, 259 Anbu Colony, Jawaharlal Nehru Road, Ph: 94426 13002.

Stray cattle nuisance in Shenoy Nagar

Sir, Despite the hefty penalty levied against cattle owners for allowing their animals to loiter on the road, stray cattle continue to pose a threat to the people.

There has been an alarming increase in the population of stray cattle on Pulla Avenue and other roads in Shenoy Nagar. A vacant and disputed plot on Ayyavoo Street (Shenoy Nagar) is being used as a cow shed, causing nuisance to the residents of the locality.

In the mornings and evenings, the cattle owner tethers the cows and calves in the land at the entrance to a dead-end lane causing obstruction. At other times, he lets them roam the streets.

In spite of complaints, no action is taken by the authorities to prevent the misuse of the plot as a cow shed.

Corporation officials must take strict action against stray cattle and their owners. **R. Padmanabhan, Ayyavoo Street, Shenoy Nagar, Ph: 79427 77939.**

Elders and children are scared to venture out.

I appeal to Corporation officials to catch and relocate the dogs. **M. S. Kannan, 37th Street, TVS Avenue, Anna Nagar Western Extension.**

THE SMILE CORNER
GET TEETH ALIGNED BY PROFESSIONALS

Teeth alignment is very important because

1. Aesthetically, aligned teeth gives you a more confident smile and it improves your face value.
2. Irregular teeth are more difficult to clean and proper oral hygiene maintenance is difficult.
3. People with irregular teeth tend to loose their teeth earlier than people with well aligned teeth, especially the lower front teeth. This is because of weakening of gums and bone degradation
4. Biting and chewing of teeth is more effective with well aligned teeth.

So if you have irregular teeth, visit your orthodontist, or any clinic with a consulting orthodontist and get your teeth set right. Age is not a barrier for tooth alignment, so don't wait any longer.
