"DON'T JUST POP PILLS. CONSULT A DENTIST FOR TOOTH PAIN"

In a world of instant solutions, it's easy to reach for over-the-counter (OTC) painkillers when tooth pain strikes. However, this quick fix might be doing more harm than good. The misuse of OTC drugs can mask underlying dental issues, leading to more severe problems down the line.

Tooth pain is often an indicator of dental problems that require professional attention. Visiting a dentist not only provides accurate diagnosis but also ensures targeted treatment. Ignoring tooth pain or relying solely on painkillers could lead to complications, including infection and tooth loss.

Rather than masking the pain, addressing the root cause is vital. Dental experts can provide tailored solutions that alleviate discomfort and prevent future complications. Remember, your dentist is your partner in maintaining oral health. So, when tooth pain strikes, don't just reach for a pill – reach out to a professional who can offer lasting relief and safeguard your smile. Your teeth deserve expert care, not just a quick fix.

Rs. 5 lakhs awarded as compensation for botched-up herbal treatment

V. Jayanthi (resident of Anna Nagar), who lost both her earlobes after undergoing herbal treatment at a beauty parlour in Arumbakkam, was awarded Rs. 5 lakhs as compensation by the Chennai North District Consumer Disputes Redressal Commission last week.

To reduce the size of her enlarged ear piercings, Jayanthi underwent herbal treatment in Abbe Herbal Beauty Parlour (Jai Nagar, Arumbakkam) in March, 2023 and paid Rs. 2,000 for the service. Her ears were plastered following the treatment and she was advised to visit for final check-up in a fortnight. As she felt continuous burn-

ing sensation and discomfort in the earlobes, she visited an allopathic doctor who found that her earlobes were torn and barely attached.

As the parlour refused to take responsibility for her condition and pay for the cost of plastic surgery to fix the disfigurement, she filed a petition against the parlour at the Consumer Commission demanding a compensation of Rs. 10 lakhs.

After due examination of medical reports and expert medical opinion, a 3-member bench directed the parlour to pay Rs 5 lakhs as compensation for deficiency of service, and Rs 5,000 towards litigation cost.

Debris dumped in Cooum raises risk of floods

The dumping of debris from the Chennai Port-Maduravoyal Elevated Corridor Project has narrowed the width of Cooum River to 30 meters in several areas including Aminjikarai, hindering the free flow of water.

With northeast monsoon to start this month, the narrowing of the river width has increased the flood risk in areas adjoining it in Anna Nagar and Aminjikarai. Though the earthen mounds created to construct the pillars in the river have been cleared as part of monsoon preparedness, the debris have not been removed from the riverbed.

LETTERS TO THE EDITOR**Water stagnates in T Block 10th Street**

Sir, Even after light showers, water stagnates outside my house at the junction of T Block 10th Street and 11th Street (Anna Nagar), mainly due to blocks in the storm water drain.

I am afraid that, during heavy rains, water will enter the compound of my house. I appeal to Corporation officials to desilt the storm water drains on both streets immediately.

Resident of T 23, T Block 10th Street, Anna Nagar

Stray dog nuisance in parks

Sir, A number of stray dogs are roaming free in Tower Park (Anna Nagar) and Bougainvillea Park (K Block, Anna Nagar East), causing nuisance to the visitors.

As a number of senior citizens and children use the parks daily, the stray dogs pose a danger to them.

I request Chennai Corporation to relocate the dogs.

I also dissuade park visitors from feeding these dogs. **Mohan Ranga, Ph: 8056003584.**
