Do's and don'ts for safe handling of crackers

During Deepavali celebrations children get injured due to careless handling of fireworks. Parents are indirectly responsible for these accidents as they fail to educate and guide the children on the correct ways of handling them.

Simple rules of safety are: Don't light crackers inside the house, or light candles and oil lamps near curtains or any other combustible material.

Hold sparklers away from the body.

Light rockets pointing them straight up.

Never light fireworks from balconies or near buildings: use open grounds.

Don't bend over fireworks while lighting them: light them from the side.

Don't wear long, loose, thin flowing dresses while playing with fireworks.

Never put fireworks in pockets.

Never light fireworks under confinement in a metal container.

Never light a flower pot by holding it in hand.

Never store fireworks or unpack them near a flame or a heat source.

Never return to a firework once lit – it may explode in your face.

Pour water over burns and go to a doctor. Don't apply ointment, butter or any oily substance.

Show concern for infants, the aged and the sick. Don't light loud crackers near them.

This has remained a perennial problem due to poor drainage. they have sent a letter to the Zonal Officer (Shenoy Nagar) to level the playground and to install rainwater harvesting structures to prevent water stagnation.

Wall outside Tower Park defaced

A wide portion of the compound wall adjoining the main gate of Tower Park (3rd Main Road, Anna Nagar) is seen defaced by a political poster. Similar posters are seen pasted at several places on it.

LETTERS TO THE EDITOR

A narrow escape

Sir, I am a resident of Z Block (5th Avenue, Anna Nagar).

On Oct. 14 at around 7 p.m, my father had a narrow escape while he was crossing 4th Avenue (near 5th Avenue junction, Anna Nagar).

In the middle of 4th Avenue, the remains of 4 iron rods from a dismantled concrete median are protruding precariously by about 2 inches. Due to poor visibility my father tripped on one of the rods and fell on the road. He luckily escaped with bruises and suffered no major injury or accident as no vehicle was passing by at the time.

I have seen similar protruding rods on pavements and road margins at several places in Anna Nagar. I appeal to Chennai Corporation to cut and remove these protruding rods to prevent any untoward incident. **P. Sai Sudharsan, Z Block 10th Street, near Jessie Moses School, Anna Nagar.**

Pavement blocked outside bank on 4th Avenue

Sir, The entire pavement outside RBL Bank (AB Block, 4th Avenue, Shanthi Colony, Anna Nagar) is blocked by 2-wheelers parked by the staff of the bank and its customers.

This is in spite of sufficient space to park the vehicles within the bank's

compound. Pedestrians are forced to walk on the road risking their lives.

I appeal to traffic police to take stern action and prevent parking of vehicles on the pavement. This photo was taken on Oct. 14. **R. Priya, AB Block 4th Street, Anna Nagar.**

5th Main Road damaged

Sir, Two weeks back, Metrowater workers dug the road around the sewer manhole chambers on the long stretch of 5th Main Road (between 5th Avenue junction and 3rd Main Road junction, Anna Nagar) to clear the blocks in the underground sewer line.

After the work was completed, the damaged spots around the sewer chambers were not levelled and patched, rendering the road unsafe for motorists. Only in some spots barricades are placed to caution motorists.

In view of monsoon, I appeal to Chennai Corporation to repair all the damaged spots on the stretch. **S. Mohanasundaram, T Block 1st Street, Anna Nagar.**

Appeal to bury/shorten exposed cables

Sir, A big bunch of live EB cable is lying exposed adjacent to the junction box on 20th Main Road (near 19th Main Road junction, Anna Nagar), posing grave danger to pedestrians, especially with monsoon just a few days away.

I request Tamilnadu Electricity Board to either bury the exposed cable below the earth or to cut its exposed length to prevent untoward incidents. **S. Gurumurthy, 19th Main Road, Anna Nagar.**

Appeal to stop loud music played in Tower Park

Sir, The music played in Tower Park is loud, monotonous and is of no value to anybody.

It disturbs the tranquillity, an essential reason for many to visit the park in the mornings and evenings. I request the park officials to either stop playing the music or play it softly. **Arjun Bharathi, Anna Nagar.**

Guard your eyes when you burst crackers

By Dr. A. Azim Siraj, Specialist Eye Surgeon

Children are often injured when they burst crackers during Deepavali.

Sometimes injuries occur in the eyes which, if not treated, may prove serious.

The following precautions should be taken in the event of an open eye injury:

- * Just apply a plastic cup over the eye with a clean handkerchief without pressing the eye and rush to an eye specialist immediately.

- * Do not apply household medicines like human milk, eye drops – they may cause further infection.

- * Do not feed the victim – he/she may be having a hidden tear in the eye which may require anesthesia for stitching and anesthesia cannot be given for approximately three hours after the last feed. This delay could be costly to the patient's vision.

How are these injuries usually treated?

- * Remember, such injuries are emergencies.

- * The eye specialist will first examine the eye in detail to ascertain the extent of damage and then plan treatment.

- * In mild cases, a simple wash to clear the gun powder and soot and antibiotic drops are advised.

- * In moderate cases, associated with scratches (abrasions) and partial tears, patching the eye with antibiotics usually helps.

- * In more severe cases, surgery may be added, usually under anesthesia and the patient may need to be hospitalised. A specialist eye surgeon (Vitreo-Retinal Surgeon) usually repairs such injuries.

But remember, the eye is like a delicate glass doll - once broken, even if the best glue is used to fix it back, the originality is lost. So, 'Prevention is

better than cure'.

Follow these simple tips to enjoy an 'eye-safe' Deepavali.

Damaged median poses danger

The median on Ambattur Estate Road (opposite Magizhchi Apartments, Mogappair) is in dilapidated condition. Rusted iron rods are protruding from the damaged foundation, posing danger to motorists. As there are several breaches in the median, 2-wheeler riders misuse the openings to take U-turns, and pedestrians cross the road oblivious to the danger. Chennai Corporation must re-construct the median early to prevent any untoward incident.
