LETTERS TO THE EDITOR

Appeal to cut leaning tree on Al Block 3rd Street

Sir, For over 3 years, a tall tree is leaning towards the road on AL Block 3rd Street, Anna Nagar.

As it is located opposite an overhead transformer, its overgrown branches often brush against the high-tension cables of the transformer, posing risk of short circuit and fire. There is a play school located adjacent to the tree, which significantly increases the risk.

Following complaints, the overgrown branches are pruned periodically but they grow back within a few months.

After the heavy rains on Oct. 7, heavy sparks emanated from the transformer due to the brushing of branches against the cables.

I appeal to Chennai Corporation to cut and remove the tree. **A. Shyamkumar, AL Block 3rd Street, Anna Nagar, Ph: 94440 75236.**

Ponni Colony Park is well maintained

Sir, In connection with the Letter to the Editor published in *Anna Nagar Times* (Oct. 5-11 issue) complaining about the lack of maintenance of the Ponni Colony Park by Chennai Corporation, we wish to state that the park is maintained in good condition by Appu Colony Flat Owners' Association (Ponni Colony Main Road, Anna Nagar). **Appu**

Colony Flat Owners Association, Belly Area, Ponni Colony Main Road, Anna Nagar.

AG Block 3rd Street is well maintained

Sir, The long stretch of the 60-foot-wide AG Block 3rd Cross Street (connecting 3rd Avenue and 7th Main Road, Anna Nagar) is being maintained well.

The road is well laid, is free of encroachments, and is lined with tall trees on both sides, providing enough shade. The trees are pruned regularly. The stretch is well-illuminated at night.

The storm water drains and the inlets on both sides of the road were cleaned recently. Garbage is collected daily from all the houses and conservancy workers clean the road daily.

I request Chennai Corporation to repaint the faded white lines on the road margins that demarcate the parking area. **S. Thirumurthy, River View Colony, Anna Nagar.**

Sewage overflow on Panchali Amman Street

Sir, Sewage has been overflowing from manhole chambers and stagnating on Panchali Amman Street (Arumbakkam) for the past three weeks, leaving the area with a foul stench and posing serious health risks to nearby residents and passersby.

The problem is at its worst at Kannappar Street junction where the overflow has been non-stop. The storm water drains are also filled with sewage. After persistent complaints by the residents, Metrowater undertook repairs last week but the problem has resurfaced. With the monsoon set to pick pace in the coming days, the situation will get worse with risk of water contamination. I appeal to Metrowater officials for immediate intervention to solve the issue. **R. Mariappan, Panchali Amman Street, Arumbakkam, Ph: 95145 22223.**

Appeal to relay Thirumangalam Road

Sir, I travel daily by 2-wheeler to my office near ICF via New Avadi Road and Thirumangalam Road.

For over a year, Thirumangalam Road has been in a battered condition.

Following the recent rains, wide potholes have appeared, making the ride even more risky. I appeal to Chennai Corporation to relay the road early. **R. Manohar, Royal Enclave Apartments, 3rd Avenue, Anna Nagar East.**

Speed breaker installed at road junction

Sir, Following my written request, Chennai Corporation erected a speed breaker at the junction of 1st Main Road and F Block 9th Street (East Anna Nagar) on Nov. 1 and marked it with white stripes for visibility from a distance.

Earlier, pedestrians, especially senior citizens, were finding it difficult to cross the junction during peak hours due to speeding vehicles. I applaud the officials concerned for their quick action. **S. Palani, 4/33, VOC Nagar Main Road, East Anna Nagar, Ph: 99406 33926.**

Traffic signals blocked

Sir, The new traffic signal post installed at Collector Nagar Junction (Ambattur Estate Road, Mogappair) is not visible clearly as it is blocked by the light post in front of it.

Similar is the problem at Thirumangalam junction where one of the signal posts is blocked by a light post.

As motorists are not able to see the signals clearly, there is risk of accidents at these junctions. I request the traffic police to move the traffic signal posts by a few inches so that they are fully visible to motorists. **Shafi Ibrahim, Ph: 96001 47913.**

Frequent breakdown of ATM within SBOA School

Sir, Of late, the ATM installed by State Bank of India inside SBOA School and Junior College (Anna Nagar Western Extension) breaks down frequently. It forces SBI customers living in the vicinity to use ATMs of other banks, resulting in additional charges.

I request SBI to replace the faulty machine early for the benefit of its customers. **A.B. Eddy, W 512, Anna Nagar Western Extension, Ph: 99625 76733.**

Open drain hazardous for pedestrians

Sir, The cover is missing from a storm water drain chamber on the pavement of School Road (near Jawaharlal Nehru Road junction, Anna Nagar Western Extension).

A wooden board has been placed over the opening to caution pedestrians.

It poses danger, especially to children, as thousands of students use the pavement daily to reach the schools in the vicinity. I request Chennai Corporation to close the opening permanently. **R. Nagen-dran, Park Road, Anna Nagar Western Extension.**

Damaged concrete mixer blocks road margin

A damaged concrete mixer in rusted condition is dumped outside the Corporation Park in Anna Nagar. As it blocks the road margin, he requests Chennai Corporation to remove it from the spot.

A nearby resident told *Anna Nagar Times* that it is lying at the spot for over 6 months.

In connection with Karthigai, maha homam will be performed to the deities Lingam, Nandikeshwarar and Natarajar from 3.30 p.m to 5 p.m on Monday, Nov. 24 in Chandramouleeswarar Temple (1, 15th Main Road, Kathiravan Colony, Anna Nagar).

108 sangu abhishekam and kalasa poojai will be performed to deity Lingam from 5.30 p.m to 6.30 p.m. It will be followed by special alangaaram and pushpa poojai. All are welcome.

Medical student held for selling LSD

Nolambur police arrested P.A. Monish (24), a 4th year MBBS student, on Nov. 18 on charge of selling LSD stamps and magic mushrooms (psychedelic mushrooms).

102 LSD stamps and 50 grams of mushrooms were seized from him.

Based on a tip off, a police team kept vigil on Annamalai Avenue (Mogappair West) and found the youth moving suspiciously.

When, on questioning, he tried to escape by his bike parked closed-by, he was caught, and the drugs and the bike were seized from him.

Tools worth Rs. 18,000 stolen from cable operator

By Our Staff Reporter

Tool kit worth Rs. 18,000, belonging to a cable operator, was stolen from AC Block 2nd Street (Anna Nagar) at around 3 p.m on Nov. 20.

The theft by a man passing by was captured on a CCTV camera installed in a house on the street.

As the bag was heavy, the cable operator had kept it near the gate of the house to check on a resident's connection following a complaint.

When he returned after 10 minutes, he found the bag missing.
