Anamolies in voter list deletions

K. S. Ramakrishnan

Tamilnadu's population had increased from 6.24 crores in 2003 to 8.53 crores in 2025 - by as much as 2.29 crores or nearly 37%.

Is it not an anomaly that, between the Special Intensive Revisions of 2003 (as updated during annual voluntary summary revisions) and 2025, the number of eligible voters in the State had decreased by as many as 97.30 lakhs or 15.9%?

The anomaly is even more glaring in the case of Chennai city constituencies where the total number in the voter lists has decreased from 40 lakhs to 25.7 lakhs, or by nearly 36%.

The anomaly arises from the fact that the SIR exercise was limited to the door-to-door verification of the *continued presence*, booth-wise, of the voters in the 2003 list *in the same addresses in which they had been living in 2003 (or at the time of the subsequent annual summary revisions)*.

While this exercise resulted in the *mandatory deletion* from the 2003-based voter list of the names of those who had either *died* (26.9 lakhs) or had *moved out* of the ear-

lier addresses (66.4 lakhs), there was *no corresponding mandatory addition* to the list of the names of those who had *either attained the voting age of 18*, or those who had *moved into* the same addresses in the interim period.

If the latter had also been done simultaneously, the number of voters who had *shifted out* of a booth area in Chennai constituencies would likely have been more than offset by the number of those who had *shifted into* the same booth area. Also, the number of voters who had died would likely have been more than offset by the numbers of those who had attained the voting age of 18 during the interim years.

For instance, it is common knowledge that, within Anna Nagar constituency, a large number of independent bungalows which were housing just one family each, have been converted during this period into multistoreyed apartments accommodating 6 to 8 families each.

Assuming that the average number of eligible adult voters in a family is 2, the number of eligible adult voters in each of those street door numbers must have in-

creased from a mere 2 earlier to as many as 12 or 16 now.

In an ideal situation, the exclusion of names from their former residences in Tamilnadu and their simultaneous inclusion in their new residences in Tamilnadu would have been equal, and there would be no net change in the number of voters.

The SIR exercise, on the contrary, has recorded only the *outward migration* of the 2 voters from a street door number, ignoring the *inward migration* of 12 or 16 of eligible voters into the same street door number. The simultaneous deletion of the 12 or 16 names of these migrants *from the voter lists relating to their earlier residences* has contributed the overall reduction of 66.4 lakhs voters in the whole State, and 1.09 lakhs in Anna Nagar constituency attributable to the shifting of residences.

The Election Commission has clarified that what has been published now are only the draft voter list for each booth, and eligible voters can still get their names added to the list by following the prescribed procedures.

If you are an excluded person who had attained the age

of 18 or more on January 1, 2026 and if this is the first time you seek to enrol in the voter list, you must fill and submit Form 6 together with the prescribed supporting documents to the Corporation authorities.

If your name had earlier been included in a voter visit either in the same constituency or in a different constituency but had been deleted because you had shifted your place of residence, you must fill and submit Form 8.

These forms can either be downloaded from www.elections.tn.gov.in, or can be got at the special centers organised by the Corporation during weekends in the respective polling booths.

If you are computer-savvy you can even fill and submit

the form online.

The documents required are, basically, your passport photo and your Aadhar card, or any other documents to prove your age and address.

The Booth Level Agents of political parties should also actively assist the left-out voters in this exercise.

The time limit prescribed for the submission of these forms is Feb. 10, 2026 after which the final electoral roll will be published.

If all eligible voters in Anna Nagar follow these steps, the final electoral roll for Anna Nagar constituency will show a sizeable *increase* from the

earlier number of 2.73 lakhs and not a *decrease* of 1.18 lakhs.

If a substantial number of eligible voters are still left out of the final roll, it would be due to the flawed design of the SIR exercise, in which deletions were made compulsory while additions were made optional.

(In Bihar, because of a similar flawed exercise, the final electoral roll (even after the submission of Form 6 and Form 8) had registered a decrease of 65 lakhs even though the State's population had increased by 3.6 crores from 9.5 crores in 2005 to 13.1 crores in 2025.)

LETTERS TO THE EDITOR

Appeal to replace EB junction box

Sir, As the foundation is damaged, the EB junction box installed on the road margin outside F-171 (F Block 4th Street, Anna Nagar East) is likely to fall at any time.

As the doors of the rusted junction box are missing, it poses danger of electrocution to unwary pedestrians, especially children.

I appeal to TNEB to repair the foundation and fix a new junction box. **Sumana, F Block, Anna Nagar East.**

Leaning tree blocks carriageway

Sir, A low-lying avenue tree blocks the carriageway opposite Corporation Park (2nd Main Road, Shenoy Nagar West). A number of children and elders visit the park daily.

Its roots have damaged the compound wall of the house adjoining it. It poses danger to unwary passers-by as it can fall across the road at any time. Chennai Corporation must take immediate action to cut and remove the tree. **S. Gurumurthy, 5th Cross Street West, Shenoy Nagar.**

Tricycle gifted to differently abled person

Udavum Karangal (NGO with administrative office at NSKNagar, Anna Nagar) gifted a new tricycle to 55-year-old Nandakumar, a differently abled person, on Dec. 12.

S. Vidyaakar (Founder, Udavum Karangal) said that, due to financial constraints, many differently abled persons are not able to buy tricycles for reasonable mobility and hence, they suffer a lot.

He said that Nandakumar, affected severely by polio at a young age, had appealed to Udavum Karangal for a tricycle.

Mr. Nandakumar received tricycle from Mr. Mohan, Health Officer, Udavum Karangal

Tree roots damage pavement

After the heavy rains, an avenue tree on 11th Main Road (near 14th Main Road junction, Ak Block, Anna Nagar) fell across the road.
