Thatzal Trip, with over 10,000 drivers onboarded, has some very interesting and unique features to offer to both Drivers and Clients. Appeal to complete drain work early

Half the width of 6th Avenue (at I Block 41st Street junction, Anna Nagar) is unusable as it has been barricaded by Chennai Corporation for the ongoing storm water drain widening work.

As the road connects 1st Avenue, 3rd Avenue and other adjoining main roads with Jawaharlal Nehru Road, there is heavy traffic here throughout the day.

The reduction of the usable road width is causing hardship to motorists. Pedestrians are put to risk as there is no dedicated safe passage for

them at the junction.

A nearby resident told *Anna Nagar Times* that the work was started two months back and is proceeding at a slow pace.

He appeals to Chennai Corporation to complete the work and relay the damaged portion of the road early.
