Tamilnadu Government launches digital registration of documents

By Sreekumar, Anna Nagar

In January, Tamilnadu Government had launched STAR 3.0 (Simplified and Transparent Administration of Registration), a major digital initiative designed to make property registration, marriage registration and other document services in Tamilnadu paperless and contactless.

Residents can register documents online without visiting a sub-registrar office, eliminating the need to carry physical papers for 10 types of deeds, including new apartment or plot purchases.

Aadhaar-Based Verification: Identity verification is done via Aadhaar-based OTP or biometrics, replacing in-person witness requirements.

Automated Deed Creation: The software enables users to generate their own deeds, minimizing manual errors.

Digital Delivery: Documents are registered, digitally signed by the sub-registrar, and delivered electronically.

18 Key Services: The system covers 18 services, including online encumbrance certificate (EC) searches, marriage registration, and society registration.

WhatsApp & QR Code Payments: Users can track document status via WhatsApp and make payments using UPI/QR codes.

For those not conversant with computer operations, the service is available at E Service Center (AL 20, New No. 26/1, 2, 4th Avenue, Shanthi Colony, Anna Nagar, Ph: 98417 47278 / 97909 84805.) The Center is open from 9 a.m to 6 p.m.

Mega art exhibition in VR Mall

A free art exhibition with over 1300 artworks consisting of paintings, photographs, installations, and sculptures on the theme of sustainability, is going on in VR Mall (Jawaharlal Nehru Road, Anna Nagar).

At the entrance, a 50-foot-tall arch-like colourful structure welcomes visitors. The installation is made from 180 kilograms of discarded plastic waste collected from beaches.

The large sculptures on display include a turtle with its belly stuffed with plastic bags to represent human waste infiltrating the oceans and endangering marine life and a large fibre heart with plants sprouting from its veins, symbolising the delicate relationship between humanity and the natural world.

Other attractions include an old Ambassador car converted into a canvas of tribal art.

Visitors can also enjoy street shows themed on sustainability, puppet shows, live music, folk performances and interactive session with artists.

The exhibition concludes on March 22. All are welcome.
