LPG shortage hits small eateries

By Our Staff Reporter

While large restaurants and chains are shifting to electric cooking and other alternatives, small eateries that provide livelihoods to thousands appear to be the worst affected by the shortage of commercial LPG supply in the city.

A number of small eateries

have either shut their doors or try to get domestic LPG cylinders wherever possible to stay in business. The worst hit are pushcart vendors who depend on small volumes of cooking gas.

An employee at Karthik Tiffin Centre (2nd Avenue, Anna Nagar) said that as the commercial cylinder stocks

have depleted, they are using gas cylinders from their homes to keep the business running.

An official said that the Chennai Corporation will continue running Amma Canteens in the city only for another 2 weeks with the present stock of LPG cylinders.

Velammal students excel in athletics

K. Ugilan and P. Shamsmika (Std. 12 and Std. 11 students respectively in Velammal Vidyalaya West, Mogappair) won bronze medals in running race in the 2nd Tamilnadu Zone-1 Athletics Meet held in Jawaharlal Nehru Stadium (Periyamet) on March 13.

Both competed in the 400 meters event in the boys' and girls' categories respectively.

Woman kills husband, dumps body in canal after six days

By Our Staff Reporter

57-year-old Ambika was arrested on March 7 by Anna Nagar police on charge of murdering her husband Selvam (60) and dumping his body in a sewage canal in Annai Sathya Nagar (Anna Nagar).

The police said that the woman had kept the body inside her house for six days before dumping it in the canal.

The murder came to light on March 5 after residents alerted the police about foul smell emanating from the canal.

A police team reached the spot and recovered the decomposed body, and sent it to Kilpauk Government Hospital for postmortem.

Police identified the victim as Selvam (resident of Annai Sathya Nagar and wife of Ambika), working as a security guard in a private firm. Investigation revealed that he was addicted to alcohol and frequently harassed his wife.

Police said that on Feb. 28 he came home drunk and picked a quarrel with his wife, and during the argument, Ambika took a knife and stabbed him to death.

She hid the body under the bed for six days and dumped it in the canal near her house during the early hours on March 5 after it started to produce a foul smell.

Police identified Ambika as the murderer as her act of dragging a large sack towards the canal was caught in a CCTV camera in the area.

LETTERS TO THE EDITOR

2nd Avenue is in a mess

Sir, 2nd Avenue (Anna Nagar), which is a prime commercial hub, is now in shambles, causing inconvenience to motorists, nearby residents and pedestrians.

Chennai Corporation last month dug up the entire stretch from Round Tana to Thirumangalam junction in order to deepen the storm water drains.

Half the road width on both sides have been rendered unusable as debris and earth occupy the carriageway. As several stretches are devoid of barricades, the protruding iron rods from the open drains pose grave danger to pedestrians. Shoppers are put to risk as they have to walk over the narrow boards placed over the drains to reach the shops.

As the work is progressing in a slow and haphazard manner, it looks like it may take another 3 to 4 months to complete.

Even on stretches where the work is over, the roads have not been relaid with the excavated earth and the debris blocking the way, leading to severe traffic congestion during peak hours. With some of the bus stops now inaccessible due to the ongoing work, commuters are put to risk as the drivers are forced to stop the buses in the middle of the road. I appeal to Chennai Corporation to finish the work as early as possible. **R. Purushothaman, AD Block, 10th Main Road, off 2nd Avenue, Anna Nagar.**

Slow progress in redevelopment of Bougainvillea Park

Sir, The Bougainvillea Park (K Block, 6th Avenue, Anna Nagar East) remains dug-up for nearly three months, with its walkways broken, benches removed and greenery completely cleared as the renovation work has stalled.

Spread across 2.7 acres, the park has been a focal point for nearby residents for nearly two decades.

In the light of complaints over poor maintenance and water stagnation, Chennai Corporation undertook revamping the park at a cost of Rs. 3 crores to provide proper drainage, improved lighting, new seating, toilets, and compound walls, in

addition to pickleball and badminton courts, fountains, left unattended, has become a gymnasium, and a breeding ground for mosquitoes. I appeal to Chennai Corporation to conduct regular inspection and direct the contractor to deploy more workers to speed-up the work, and complete it early. **R. Balamurugan, M Block, Anna Nagar East.**

A Corporation contractor began the excavation work in January, but the progress since then has been minimal. Piles of excavated soil, rusted playground structures, and heaps of debris lie scattered

Height of parapet wall raised

By Our Staff Reporter

The height of the parapet wall of Otteri Nullah (near Garden View Apartments, 6th Avenue, Anna Nagar) has been raised from 3 feet to 6 feet for safety and to prevent dumping of garbage into the Nullah.

LPG shortage triggers sale of electric cooking appliances

The shortage of LPG cylinders arising out of the Middle East war has led to a sharp rise in the sale of electric cooking appliances in the city.

Manager of an appliances showroom on 3rd Avenue (Anna Nagar) said that the demand for induction cooktops has increased significantly over the past week, with many purchasing them as a backup option.

Apart from induction stoves, other appliances such as electric kettles, microwave ovens and electric rice cookers are also witnessing high demand, he said.

18,119 tonnes demolition debris removed from Anna Nagar in 6 months

By Our Staff Reporter

In the past 6 months, Chennai Corporation removed about 2 lakh tonnes of construction and demolition (C&D) waste in all 15 city zones including Anna Nagar.

Of this, the third highest of 18,109 tonnes was removed from Anna Nagar Zone.

Officials said that the waste is sent to recycling centres in Kodungaiyur and Perungudi, where it is sorted and reused as paver blocks.

During this period, fines totalling Rs. 39.30 lakhs were collected from violators of rules.

Open drain on 2nd Avenue poses danger

Sir, A 30-foot-long portion of the storm water drain is lying open on 2nd Avenue (outside Central Bank of India, AC Block, Anna Nagar) for over a month.

As it is filled with foul smelling water, it has become a breeding ground for mosquitoes.

A live EB cable that connects to two nearby junction boxes is running overground adjoining the open drain. A portion of the cable is also submerged in the water.

I appeal to Chennai Corporation to close the drain immediately and to Tamilnadu Electricity Board to bury the cable below the earth to prevent any untoward incident. **T. Srinivasan, AC Block, Anna Nagar.**

Dilapidated EB junction box poses danger

Sir, The EB junction box installed several years back outside my house on F Block 4th Street (Anna Nagar East) is in a rusted and dilapidated condition.

As its foundation is damaged, it is leaning precariously and resting against the trunk of an avenue tree.

As its doors are missing, all electrical terminals and wires are lying exposed. The thick power cables connected to the junction box are running overground outside my gate, forcing me to run over them when I take my car out.

The damaged junction box poses grave danger of electrocution to unwary passersby, especially children.

I appeal to the officers of Tamilnadu Electricity Board to take immediate steps to replace the damaged junction box and bury the exposed cables. **P.G. Ramakrishnan, F 170, F Block 4th Street, East Anna Nagar.**

They accused him of leaking sensitive information and threatened him with immediate arrest over a video call. They then forced him to transfer Rs. 1 crore to bank accounts provided by them to cancel the arrest warrant. After finding out that he had been duped, Sathyamurthy filed a police complaint on Dec. 5. Police probed the bank accounts to which the monies

were transferred and found that Azharudeen, an electronics and mobile phone trader at Burma Bazaar, had arranged over 40 bank accounts to route the proceeds and received Rs. 1.2 lakhs as commission for facilitating transactions and cash withdrawals. Further investigation is on to trace other suspects. Contact the helpline 1930 or visit www.cybercrime.gov.in to lodge complaints against cybercrimes.
