Tree falls on parked car

By Our Staff Reporter

A family of four had a narrow escape on the night of April 1 as a big avenue tree fell on their Honda Mobilio car that they had parked just ten minutes earlier on the road margin on 2nd Avenue.

The car's windscreen got shattered and the cabin and bonnet were crushed in the impact.

The family, after parking their car under the tree, had gone to dine in Little Italy

Restaurant located close-by. Even as they were placing the order, they were informed by the restaurant manager that a roadside tree had fallen on their car.

On getting information, traffic police and a team from Anna Nagar Fire and Rescue Station arrived at the spot.

While the police blocked the traffic on the stretch, the fire personnel, aided by Corporation workers, cut and removed the uprooted tree.

A pokaline was used to lift the main trunk from atop the damaged car.

LETTERS TO THE EDITOR

Appeal to expedite storm water drain work

Sir, Storm water drain is being constructed in the 3-meter-wide Mariamman Kovil Street (Aminjikarai).

The work which began two weeks back is progressing at a slow pace.

There are no barricades placed in front of the open 4-foot-deep trenches for the safety of motorists and pedestrians. Iron rods used in the construction of the foundation are protruding precariously and pose grave danger to passersby.

On stretches where the drains have been partially constructed, manholes remain uncovered.

Though the usable road width is reduced to less than 2 meters, police have kept the street open to 2-way traffic, leading to severe congestion throughout the day.

The devotees visiting the Mariamman temple are put to risk.

I appeal to Chennai Corporation to place barricades in front of the open drains to prevent any untoward incident and to traffic police to make the road 1-way till the work is completed. **R. Sivaprasad, 18, Mariammal Koil Street, Aminjikarai.**

Vehicles parked in front of bus shelter

Sir, As the space in front of the bus shelter on East Club Road (Shenoy Nagar) is misused for parking 2-wheelers, bus drivers are forced to stop in the middle of the road, posing danger to commuters boarding and alighting the bus.

I appeal to traffic police to prevent parking of vehicles in front of the bus shelter. **R. Prashantkumar, 1st Main Road West, off East Club Road, Shenoy Nagar.**

Its poses danger of injury to unwary pedestrians at night due to poor visibility.

Innovative way to prevent parking

In order prevent parking of vehicles, concrete rings and tyres with growing plants inside them have been placed along the road margin adjoining the compound wall of Bulls Park (AD Block 1st Street, Anna Nagar).

Each fruit is priced Rs. 25 per kg.

He accepts bulk orders at reduced prices and offers door delivery on orders of Rs. 1000 and above.

He is available from 7 a.m to 10 p.m on all days. His contact number is 98844 94273.

Height of parapet wall raised

The height of the parapet wall of Otteri Nullah (10th Street, Vasantham Colony, near Mullai Nagar, Anna Nagar) has been raised from 3 feet to 6 feet for safety and to prevent dumping of garbage into the Nullah.

Packaged drinking water gets costlier

The ongoing war in the Middle East has begun to impact households, with packaged drinking water manufacturers raising prices amid a spike in input costs.

E. Saravanan (General Secretary of the Greater Tamil Nadu Packaged Drinking Water Manufacturers Association) said that the price of plastic containers has surged due to shortages in petroleum-based raw materials triggered by the war. Following such increase, manufacturers have raised the price of 20-litre cans by Rs 5, while larger brands have hiked prices by up to Rs 10 per can. Similarly, the price of bottled-water has also risen.

Saravanan said that, while fuel prices remain stable for now, any increase in petrol or diesel prices could further push-up packaged water prices due to higher transport costs.

THE SMILE CORNER
"DON'T JUST POP PILLS. CONSULT A DENTIST FOR TOOTH PAIN"

In a world of instant solutions, it's easy to reach for over-the-counter (OTC) painkillers when tooth pain strikes. However, this quick fix might be doing more harm than good. The misuse of OTC drugs can mask underlying dental issues, leading to more severe problems down the line.

Tooth pain is often an indicator of dental problems that require professional attention. Visiting a dentist not only provides accurate diagnosis but also ensures targeted treatment. Ignoring tooth pain or relying solely on painkillers could lead to complications, including infection and tooth loss.

Rather than masking the pain, addressing the root cause is vital. Dental experts can provide tailored solutions that alleviate discomfort and prevent future complications. Remember, your dentist is your partner in maintaining oral health. So, when tooth pain strikes, don't just reach for a pill – reach out to a professional who can offer lasting relief and safeguard your smile. Your teeth deserve expert care, not just a quick fix.

Held for killing wife and daughter

47-year-old R. Srinivasan (employed as a security guard in a private hospital in Anna Nagar) was arrested at night on March 29 on charge of murdering his wife and 9-year-old daughter in their house in Thiru Vi Ka Nagar in the early hours the same day.

Police said that Srinivasan lived with his wife Sivaranjini (40), daughter Harini (9), son Pranav (15), and his mother Mythili (65) in a house in Thiru Vi Ka Nagar. While Mythili stayed on the ground floor, the rest of the family lived on the first floor.

In the early hours on March 29, following a quarrel with his wife, he killed both his wife and daughter with a kitchen knife and left the house.
