Traditional games curated by Kreeda will bring back memories for many, with activities such as Pallanguzhi, Aadu Puli Aattam, Paramapadham, Bambaram, Gilli Danda, Seed Game, Coconut Shell Walk and the popular Nungu Race.

Children and adults can also participate in creative sessions, including pottery, leaf printing, an upcycle studio and a bubble zone.

Dental Implants are the ideal solution for replacement of missing teeth provided the bone quality, density and width are good.  
A dental implant is a titanium post (like a tooth root) that is surgically positioned into the jawbone beneath the gum line that allows your dentist to mount replacement teeth or a bridge into that area.  
**Advantages**  
**Most comfortable and closest to natural tooth feeling.**  
**1. An implant tooth doesn't come loose like a denture.**  
**2. Chewing is as good as chewing your natural teeth.**  
**3. No acrylic plate or wires and easiest to maintain clean.**  
**Cost- The average cost for an implant supported tooth may vary between 25000/- to 45000/- depending on the quality & company product used**
