LETTERS TO THE EDITOR

Appeal to blacktop Z Block 9th Street

Sir, Z Block 9th Street is in bad condition as it has not been relaid for over four years.

As the surface is uneven and littered with gravel stones, it creates a dusty condition every time a vehicle passes by, and during rains, the road turns slushy. The bad condition of the road inconveniences motorists, pedestrians and the residents of the street.

Despite several complaints, the road has not been relaid.

I appeal to Chennai Corporation to blacktop the road early. **CK Kiran Kumar, Z Block 9th Street, Anna Nagar.**

Appeal to complete drain work early at road junction

Sir, The junction of 4th Main Road and 5th Avenue (adjoining V Block and S Block, Anna Nagar) was barricaded ten days back by Chennai Corporation to facilitate work on storm water drain. It is causing heavy traffic congestion during peak hours at the junction of 5th Avenue and 6th Avenue (which runs parallel to 4th Main Road).

As bikers and 4-wheelers, including vans and water tankers, are cutting across the narrow inner roads in S Block and V Block to avoid the congestion, they pose danger to pedestrians and residents.

I appeal to Chennai Corporation to complete the drain work early, relay the damaged surface and reopen the junction. **S. Sankararaman, V Block 10th Street, Anna Nagar.**

Leaning tree on 9th Main Road

Sir, A tall tree on the pavement outside Anabayan Flats (near 4th Avenue junction, 9th Main Road, Anna Nagar) is leaning towards the road.

Its roots have damaged the pavement.

A number of school and college students pass along the stretch daily. As it can fall at any time, I appeal to Corporation officials to inspect the tree and take suitable action to prevent any untoward incident. **M.K. Sureshchander, T3, Anabayan Flats, Ph: 87785 45433.**

Commercial complex near new Thirumangalam station

By Our Staff Reporter

Chennai Metro is constructing an integrated commercial complex around the upcoming Thirumangalam metro station (Jawaharlal Nehru Road, Anna Nagar) under its Phase 2 project of Corridor 5 from Madhavaram to Sholinganallur.

An official said that the complex will offer direct access to the station, and will combine office space, retail outlets and parking space within four interconnected towers.

The complex will have 9 floors and three basement levels.

Appeal to relay VOC Nagar 2nd Cross Street

Sir, VOC Nagar 2nd Cross Street (off 1st Avenue, East Anna Nagar) is in bad condition.

The street has not been re-laid for over 5 years except for occasional patch works. There are several potholes on the road and the bitumen surface has got washed away on several stretches. The loose gravels are inconveniencing motorists and pedestrians, and cause a dust storm every time a vehicle passes by. I appeal to Chennai Corporation to mill and relay the road early. **Mahesh Iyer, VOC Nagar 2nd Cross Street, East Anna Nagar, Ph 90805 20195.**

Open ditch inconveniences residents

Two months back Chennai Corporation dug a ditch in front of the entrance to Pushkar Srinivasa Apartments (G Block, 15th Main Road, near 11th Main Road junction, Ranganathan Gardens, Anna Nagar) to link the storm water drains on both roads

E. J Sundar (resident of Pushkar Srinivasa Apartments) told Anna Nagar Times that there has been further no progress in the work.

He said that the residents are put to hardship as they find it difficult to take their vehicles in and out of the building.

As nearly half the road width is blocked there is frequent traffic congestion at

the junction. He requests Chennai Corporation to finish the work early and close the ditch.
